Dear Sam,

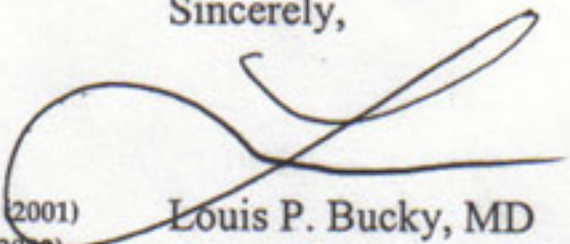

I wanted to personally thank you for your outstanding contribution to the NESPS meeting in Philadelphia this year. I am sure I speak for all in attendance when I express tremendous appreciation for the time you took away from your practice to be with us.

From the evaluations we have reviewed, our guest speakers were all very well received, and your participation was especially noted by many of our members and guests.

I hope to see you at our meeting in Bermuda next year.

Again, many thanks for joining us in Philadelphia.

Sincerely,

Louis P. Bucky, MD
Scientific Program Chairman
