On behalf of the American Academy of Facial Plastic Reconstructive Surgery, we would like to invite you to be part of the faculty for the 10th International Symposium in Hollywood, FL, April 28 – May 2, 2010. The International Symposium occurs every 4 years and is the AAFPRS Foundation's most ambitious educational undertaking. By agreeing to participate in the various educational components listed below, you are helping to assure dissemination of information that is timely, relevant, and unbiased.

Speaker: FLO 6: The Graduated, Customized Approach to Face/Necklift
3:00 PM 3:50 PM Wednesday, April 28, 2010

Groundwork for this event has been ongoing for the past 2 years. We have asked our Planning Committee to provide us with the names of the brightest and best in every aspect of our discipline and its related fields. The program will include lectures, panels and focused learning opportunities that encourage interactivity with audience and other faculty members, cutting edge presentations and in-depth dialogue.

We are committed to doing everything possible to make the 10th International Symposium of Facial Plastic Surgery the most successful the history of the academy. **The preliminary program is scheduled to go to print in June, so please let us know no later than June 10th if you will be able to participate.**

We thank you for your contribution to the success of this premiere educational event and look forward to working with you over the next year.

Sincerely,

Shan R. Baker, MD
Symposium Chair

Philip J. Miller, MD
Program Chair
