Dear Colleague:

Congratulations on your selection for inclusion in the 12th edition of *Top Doctors: New Metro Area*, Castle Connolly's acclaimed guide to the top 10% of primary specialty care physicians in the tri-state New York area. This selection reflects the high esteem and respect accorded you by your physician peers. Castle Connolly and our consumer health guides are *America's trusted source for identifying top doctors*. Our surveys of Castle Connolly Top Physicians consistently indicate that a physician's profile in these user-friendly guides and online at our websites attracts new patients and confirms the confidence that existing patients have in your medical expertise.

Castle Connolly Top Doctors are featured in numerous national and regional magazines and newspapers, such as: *Good Housekeeping; Ladies Home Journal; Redbook; Town & Country; New York; Chicago; Philadelphia; Memphis; Sarasota; Northern Ohio Live and Palm Springs Life*, to name but a few.

Again, our congratulations and best wishes for continued success.

Sincerely,

John J. Connolly, Ed.D.
