Aesthetic Plastic Surgery / Anti Aging Medicine: The Next Generation Symposium Attracts a World Class Faculty to New York City

[f Like](#) [Tweet](#) [in Share](#)

NEW YORK, Jan. 26, 2012 /PRNewswire/ -- The third Aesthetic Plastic Surgery / Anti Aging Medicine: The Next Generation Symposium will be held on July 20-22, 2012 at the Conrad New York, a new luxury complex overlooking the Hudson River adjacent to One World Trade Center tower. This interactive, multidisciplinary conference will feature a world-class faculty presenting advancements in aesthetic surgery, cosmetic medicine and anti-aging therapy from around the globe.

"This year's symposium will feature groundbreaking technologies from Europe, Latin America and the U.S. in the emerging fields of regenerative medicine, stem cell research, dermal fillers and volumizing agents, neuromodulators, lasers, light, ultrasound and radiofrequency based technologies and aesthetic plastic surgery. The faculty we have assembled represents top experts from plastic surgery, dermatology, facial plastic and oculoplastic surgery, as well as anti-aging medicine," said Course Chairman Z. Paul Lorenc, M.D., F.A.C.S. "We are entirely focused on what is happening now, what is coming next and what the future will bring."

The prestigious international faculty includes: William Adams, M.D., Robert Bard, M.D., Cheryl Burgess, M.D., James Carraway, M.D., Steven Cohen, M.D., Sydney Coleman, M.D., Joseph Eviatar, M.D., Steven Fagien, M.D., Rebecca Fitzgerald, M.D., Roy Geronemus, M.D., Christopher Godek, M.D., Miles Graivier, M.D., Joseph Gyskiewicz, M.D., Geoffrey Gurtner, M.D., Christine Hamori, M.D., David Hidaigo, M.D., Haideh Hirmand, M.D., Joseph Hunstad, M.D., Nolan Karp, M.D., Jeffrey M. Kenkel, M.D., Brian Kinney, M.D., Wendy Lewis, Z. Paul Lorenc, M.D., Alan Matarasso, M.D., Foad Nahai, M.D., Ivona Percec, M.D., Joel Pessa, M.D., Jason Pozner, M.D., Andrea Pusic, M.D., **Sam Rizk, M.D.**, J. Peter Rubin, M.D., Neil Sadick, M.D., Anthony Sclafani, M.D., Robert Silich, M.D., Henry M. Spinelli, M.D., Arthur Swift, M.D., Heidi Waldorf, M.D., V. Leroy Young, M.D., and Sabine Zenker, M.D.

The 2012 program has been expanded to include innovative workshops led by leading experts on social media and marketing, laser lipolysis and body shaping, facial rejuvenation with novel agents, advanced imaging systems, and new techniques for fat
