

The T&C Insiders' Guide to Plastic Surgery

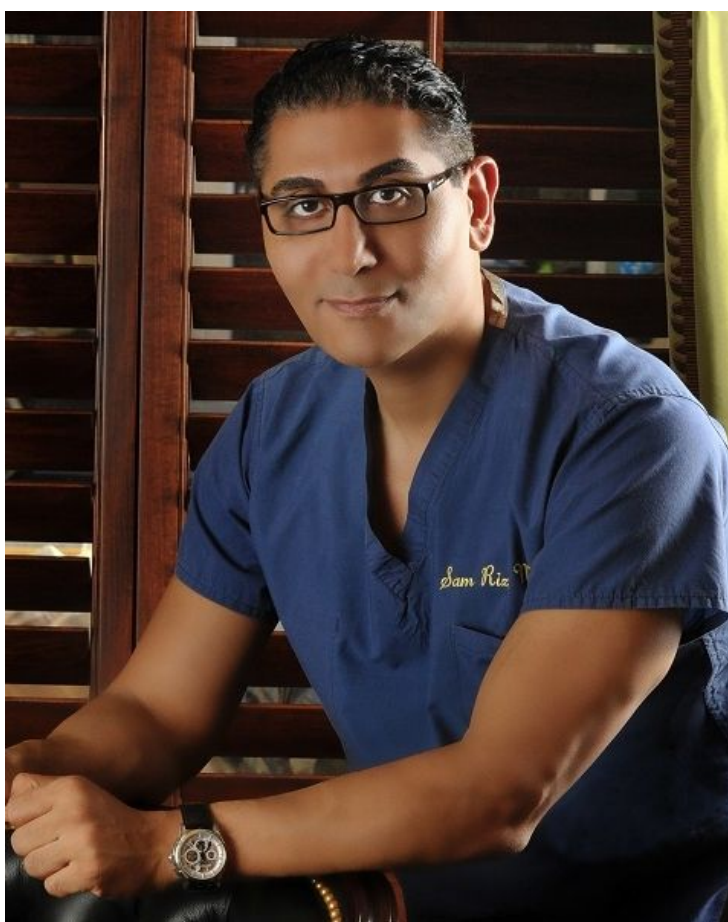

T&C townandcountrymag.com/style/beauty-products/g13957454/plastic-surgery-guide/

December 8, 2017

These talented surgeons from across the country are the masters of the subtle lift and tweak that will turn back time—without making anyone do a double take.

Courtesy Dr. Sam Rizk, MD

Sam Rizk

Rebuilding noses and revising face-lifts for a global clientele.

THE LOOK Rizk prides himself on undetectable face-lifts (several Saudi royals are rumored to be patients with meticulous incisions and no disruption of the hairline).

THE EDGE He's the rare doctor who can do a tertiary nose job, which corrects not one but two previous surgeries.
