

Dear Sam,

The wedding I attended the day after I saw you was magnificent! All my relatives were there, many I hadn't seen in over 20 years! The following day my mom told me that people were asking her if I was a model! I am overjoyed with my 'new' look. My lips are perfect and I find myself always smiling!

All those people you shaved me when I was in your office ... will experience their lives in a way that would not have been possible if not for you. I sense in you a kindness somewhat rare in much of humanity these days. Be true to the one you love. It's an ultimate sacrifice but its reward will be as great as the new found joy of those

people whose lives you change every day. I don't know how I can ever thank you for what you've done for me, but I'll keep trying.

With Much Love
Laura ☺

Thanks for being
wonderful you.
