Dear Sam

Words cannot express the depth of my gratitude for the wonderful treatment my sister and I received from you.

In the short time since we have met my impression of you is that not only are you an amazing surgeon, but you are also a very special person.

I am so happy and grateful that our paths crossed, and amazed at the ease with which you made my dream come true. You have performed an incredible job and I will keep my end of the deal with the same level of dedication.

There is a Hebrew saying "Show me your friends and I will show you who you are"

I have met some of the people you are surrounded by. Your very kind friend Arthur, wonderful private nurse Frances, sweet Hoda, they all reflect the precious man you are.

I wish you the utmost success,
Thank you again for placing your trust in me and for the kindness you shown me.

with sincere gratitude,

M.S.
