

About 5 years ago, my life was changed. I looked in the mirror and was sad to see what I had become. I went from being fourth runner up and talent winner as a vocalist in the Miss New York State pageant, to someone who I could no longer recognize. I knew it was time to search for someone who could help me become my old self again. Then I met my knight in shining armor, Dr. Sam Rizk. He is not only a great surgeon, but he is also a wonderful and compassionate man with superb bedside manner. I went to Dr. Rizk for a consultation and we decided together that I should get a facelift. This facelift literally lifted my spirits more than I could have ever imagined. I now have the confidence to stand up on the stage and sing as I did many years ago. I will always go back to Dr. Rizk for all of my cosmetic procedures. He has earned my trust whole heartedly and I consider him to be a wonderful friend. Also, let me not forget the amazingly caring and sweet staff that he has working at his practice for many years. I couldn't be happier with the whole experience.

Thank you for everything Dr. Rizk! You're the best!

Sincerely,

Sally Q
