“Surprise.... #nosejob 🤔,” she captioned her TikTok footage.

Antonia is [the only daughter](#) of Melissa, 47, and her husband, **Joe Gorga**, who also share two younger sons. Melissa even cosigned her daughter’s procedure.

Antonia’s procedure was done by plastic surgeon **Dr. Sam Rizk**, who previously completed *RHONJ* alum **Jennifer Fessler**’s own face lift and rhinoplasty in 2023.

Despite Melissa’s career in the Bravoverse, her daughter isn’t planning to follow in her footsteps anytime soon.

“She’s still in college, [but] I learned never to say anything because the opposite ends up happening,” Melissa [exclusively told Us Weekly in April 2025](#) about chances Antonia could join Bravo’s *Next Gen NYC* like her cousin **Gia Giudice**. “I’ll never tell my daughter not to do something, but I don’t think that’s the path she would choose at this point. I don’t know, though. You never know. I’ll let her do whatever makes her happy.”

Antonia currently studies at the University of Delaware, where she’s a member of the Alpha Phi sorority.

“She’s in her element,” Melissa gushed at the time. “These are the best times of her life and she’s enjoying it. She loves it.”
